PART IV

8 DISCUSSION AND COMMENTS

- a Act or act of omission.
- b Investigator's view as a result of the above investigation and findings.
 - (1) Discuss & comments on the co-relations between the Evidentiary Factor(s), Burn Patterns, Area(s)/Point(s) of Fire Origin, Relevant Facts and Probable Presence of Accelerant Used.
 - (2) Discuss & comments on the Probable Cause of Fire.
 - (a) The Source of Ignition;
 - (b) The Ignition Fuel; and
 - (c) The factor(s) leading to the Ignition.

CONFIDENTIAL

PART V

9 CONCLUSION

- a Executive Summary of Investigation Findings.
 - (1) State the Nature of Fire Cause.
 - (2) State the Source of Ignition;
 - (3) State the Ignition Fuel/s; and
 - (4) State to whom (Police IO) the case was handed over.

PART VI

10 ANNEXES

- a ANNEX A - Location Plan
- b ANNEX B - Site Plan
- c ANNEX C - Layout Plan of the Affected Area
- d ANNEX D - Table-of-Photo Log
- e ANNEX E - Photo-Log
- f ANNEX F - Photographs
(Photos No. ____ to ____)
- g ANNEX G - HSA Lab Report No. _____ dated _____
/Burn Chart (if any)
(Delete this if there is no HSA Report/Burn Chart)

11 ATTACHMENT

- a Exhibit/s marked _____.
(Delete this if there is no exhibit)

CONFIDENTIAL
